

Trend Windows open Bali Indonesia Showroom

Trend has opened a showroom in Bali Indonesia on Jl. Bypass Ngurah Rai No48B in Kuta. This is the first showroom for Trend in the Asian region.

The showroom was opened on 9th December by Australian Consul General – Bali, Honorable Lex Bartlem OAM along with Trend National Marketing Manager David Richardson. The event was attended by official guests including staff from PT Harind and Austrade, several overseas guests from Australia and Malaysia, local Bali Architects, Builders and Developers who had come to see the extensive display on show by Trend.

Traditional ceremonies were conducted for the opening including Balinese Dancers who performed the welcoming to guests and a Tumpeng Ceremony for blessing the new showroom.

The showroom is the culmination of around two years work by Trend and Harind to service the growing demand for quality product for the burgeoning Bali construction market.
